

Certification Reimbursement Policy

Document and Version History

#	Version	Release Date	Description of Change	Created/Modified by	Approved by
1	1.0	16-09-2022	Initial	HR Team	Arun Ganesan
2	1.1	16-05-2023	Eligibility Criteria	HR Team	Arun Ganesan

Objective

To encourage all employees for development of their skills in technical and functional areas. To build competency in critical areas as identified by the organization from time to time. To engage employees in their desire to meet individual and organizational goals.

Scope

The administration of this policy rests with the HR Department of Ideas2IT Technology Services Private Limited and the final interpretation of the same rests with the Management.

Eligibility

- This policy will be applicable to all permanent employees of Ideas2IT Technology Services Private Limited.
- Employees should have served a minimum period of 12 months with the organization.
- The certification must have business relevance as well as role relevance from a current role/career development perspective and must be approved by the Manager / Project head.
- Any fundamental certifications completed will not be eligible for reimbursement (Eg: AWS Cloud Practitioner, Azure Fundamental etc.)

Guidelines

- The certification fee will be reimbursed only for the successful completion of certification.
- Employees would be liable to serve the organization for one year from the date of reimbursement.
- Employee should get prior approval from reporting manager and management before taking up the certification.

- Employee should claim the certification reimbursement within 40days from the date of completion.

The Process Flow

- An employee willing to pursue a certification shall send an email with complete details of the certification program, including the purpose, duration and cost to his/her Manager / Project Head for approval.
- After receiving a formal approval from the Manager /Project Head, the employee may register to pursue the certification program.
- A communication email must be shared to the HR with the complete details of the certification program along with the Manager's approval.
- The cost of the certification would initially be borne by the employee.
- Upon successful completion of the certification program, the employee shall apply for reimbursement along with the receipt of fee payment and certificate of award in the intranet portal iassistant.
- The employee must share an email with the invoice and the completion certificate for approval to the reporting manager and the HR, post which the Management will approve the certification reimbursement and will send it across to the Finance team for further processing.
- Within 1year of certification reimbursement If an employee resigns from the services of the organization, he/she shall be liable to refund the entire amount reimbursed under this policy.

Effective

This policy is effective from 16th May 2023.

Disclaimer:

The applicability, eligibility of the certification reimbursement may be implemented and/or changed by Ideas2IT from time to time at the sole discretion of Ideas2IT and such implemented and/or changed shall become applicable to the employees immediately, upon receipt of notice of the same.
