Objective

To promote team building, improve employee morale, and foster a positive work environment.

Scope

The scope of a team outing policy outlines guidelines and procedures events outside of the workplace. This policy specifies the objectives and purpose of team outings, the types of activities that are suitable for teams, and the rules and regulations governing team outings.

Eligibility

All employees are eligible for team outing reimbursement.

Budget

- The budget for team outing events will be INR 2000 per financial year per employee. The same will lapse at the end of the year if not utilized. There will be no separate budget for family gathering and the same has to be managed within this budget.
- Project Manager has the option to avail the team outing budget either in one go or divide it into different parts per quarter.
- The budget cycle is from 1st April to 31st March*.
- The budget above includes all expenses related to the event (like cost of travel, other arrangements, gifts etc.).
- Any expenses related to liquor/cigarettes will not be reimbursed through the Team outing budget.

Process

This reimbursement does not require any approval from the reporting manager/CEO.

How to apply

- The list of employees with Emp ID and email id needs to be shared with the HR team.
- The relevant bills can be shared with the HR & finance team for reimbursement.
- The finance team would process the reimbursement accordingly checking on the eligibility amount.

Effective

This policy is effective from 1st April 2024.
